The Hartwells of America
SCHOLARSHIP GRANT PROGRAM
TERMS AND CONDITIONS

About the Scholarship Program

In 1937, a young Boston lawyer, Claude S. Hartwell, called together all of the Boston area Hartwells for the organization of the Hartwells of America, an unincorporated association. The announced purposes of the Association, followed to this day, were "to hold meetings and preserve records, memorials, histories and genealogies" with the hope that the Association's activities would "result in new handclasps and the formation of pleasant and lasting friendships."

The annual meeting, or Reunion, of the Association has been held every year since (with the exception of one war year), with old friendships renewed and new friends made. Through the years, the fostering of a spirit of good fellowship has transcended the Association's written objectives, although an impressive Genealogy has been compiled, a comprehensive revision published, and a vast Hartwell library assembled.

In keeping with the Association's broader objectives, it was decided at the 1979 Annual Meeting to establish the Hartwells of America Scholarship Fund. The first awards were available for the 1980-1981 academic year and since have ranged in amounts from $100 to $1,000, depending on the funds available and the number of applicants.

Eligibility

Any child of a parent surnamed Hartwell, or any lineal descendant of William Hartwell of Concord, Massachusetts (1613-1690), who will be enrolled as a student in any accredited post-secondary school degree program (*i.e.*, college, university, technical college, or institute), full or part time, is invited to apply.

Selections among applicants shall be based on financial need, although that is neither the sole nor necessarily the primary criterion. First consideration shall be extended to applicants who provide verifiable genealogical data establishing descent from William[1]. In selecting the deserving applicant or applicants, the Scholarship Committee shall give consideration as well to the the applicants' biographical information and such other factors as in its discretion it deems warranted. Any financial information contained in an application shall be considered only by the Scholarship Committee and shall otherwise remain confidential; the applicant agrees that genealogical and biographical information may be shared with the Association.

It is not required that an applicant attend the Annual Meeting in order to be eligible. If a recipient will be unable to attend, however, his or her award will be conditioned upon his or her agreeing to write to the Association, before the Annual Meeting next following the award, and describing in what manner the scholarship benefited the recipient during the school year.

Restrictions

Awards under the Hartwells of America Scholarship Grant Program are intended to be one-time grants. Therefore, only one scholarship will be awarded to an individual applicant during his or her post-secondary studies.

Scholarship grants are available only to those applicants whose dues to the Hartwells of America Association are paid currently, as of the date of the Reunion at which the grants are awarded, or to those applicants whose parent or grandparent has been a duly paid up member of the Association for five consecutive years ending as of the date of the Reunion at which the grants are awarded.

Submission

Applications for any academic year may be submitted up to the second Saturday before the Annual Meeting preceding the academic year for which the scholarship is sought. The Annual Meeting is held in June each year.

Completed application forms or requests for additional forms or information should be directed by the applicant to:
