FOREWORD

THE HARTWELLS OF AMERICA (An Association) takes pleasure in presenting to you the third edition of the Directory containing all the names of Hartwells or of Hartwell descendants in the United States and Canada whose addresses are known to us, whether contributing members of the Association or not.

Errors and omissions are inevitable in a work of this kind, but they can be reduced to a minimum in the next edition with your increased co-operation in sending to the Corresponding Secretary, from time to time, addresses, dates, and other desirable data. Information from hitherto silent members is particularly urged, as there are large gaps in the records of a great many families, and blanks waiting to be filled out in many homes.

All persons named in this booklet, as well as many others of the Hartwell name or blood, are eligible to contributing membership in the Association. You are all cordially invited to join.

The written purposes of THE HARTWELLS OF AMERICA are to "hold meetings and preserve records, memorials, histories, and genealogies . . ." but it is hoped that our activities will result in new handclaps and the formation of pleasant and lasting friendships among us. This fostering of a spirit of good fellowship transcends our written objectives.

Hi Joy,
Thought these
could go into
the Hartwell
Archives!

Caroline
There maybe more coming.
