FOREWORD

This is the fifth edition of the Hartwell Directory. It contains the names of all Hartwells and Hartwell descendants whose addresses were known in Sept. 1957.

There have been many deaths and much moving about since the last Directory in 1947, and, as we have not been notified of most of these changes, there are many unavoidable inaccuracies in this edition. You are again urged to keep the Corresponding Secretary informed of all deaths and changes of residence.

All persons named in this booklet, as well as many others of the Hartwell name or blood, are eligible for contributing membership in the Association. You are cordially invited to join.

The written purposes of The Hartwells of America are "to hold meetings and preserve records, memorials, histories and genealogies. . ." and it is hoped that our activities may result in new hand-clasps and the formation of pleasant and lasting friendship among us. This fostering of a spirit of good fellowship transcends our written objectives.
