Dear Priscilla,

Thank you for your letter of the 26th of August which arrived while my wife and I were away for a few days.

I would be delighted to attend the 1971 meeting of The Hartwell Family Association and will plan to attend. It is very generous of the Association to pay one-half of my fare, and as I will be bringing my wife I will accept as the two fares will be rather large. This will mean that I will only need to pay for Pat's fare and then half of mine!

Please give me an idea of how the President, Mrs. Study, wishes to have the report given, and what she wishes to have included?

It has been many years since I was last in New England, and I am very much looking forward to the trip.

Many good wishes,

Most sincerely,

Rodney
